MHS LOG 2000

2000 Steps Forward . . .
One Look Back

DEDICATION

"Would Mrs. Colbert please come down to the first floor office?"

On behalf of the Class of 2000, the LOG staff would like to dedicate this yearbook, **2000 Steps Forward, One Look Back,** to Mrs. Virginia Colbert. We all know her as the friendly, outgoing secretary to the principal who always has a smile on her face. She is always ready to lend a helping hand to all the students and teachers of MHS. Along with the 250 seniors, Mrs. Colbert will be 'graduating' with the Class of 2000, but instead of heading off to college she will be retiring in order to spend more time with her husband Edward, her three children and her six grandchildren.

After graduating from Everett High School and Malden Business School, Mrs. Colbert entered the Melrose Public School System in 1976 as a secretary at the Lincoln Elementary School. Later she was re-located to the MHS Guidance office where she first discovered what it was like to work with high school students. In 1995, Mrs. Colbert was transferred to the first floor office as Dr. Hayes' personal secretary. In 1999, Mrs. Colbert welcomed Dr. Burke, our new principal and helped to make his transition to MHS a smooth one. After 25 years of positive influence, dedication and enthusiasm towards the students of Melrose, Mrs. Colbert will retire to spend time with her family. She will be greatly missed! We wish you the Best of Luck in the future. Thank You Mrs. Colbert!

THE OPENING

Throughout our years at Melrose High, we have endured many changes. They include the departure of many favorite veteran teachers and the arrival of many new unknown teachers, and also the arrival of a new principal, Dr. Burke, with new rules and expectations. Even though we may have been upset by some of these changes, in the long run we can look back and realize that by coming here, we made the right decision. Being the first class to graduate from Melrose High in the new millennium will alone put us in the history books, but we are so much more than that.

The Class of 2000 is not only the first class to graduate from Melrose High in the 21st century, but it is one of the most cohesive yet diverse groups that Melrose High has ever seen. Academically we are among the brightest classes in school history. Athletically we have made the record books for both team and individual accomplishments. Our band, clubs, and organizations have all made a positive impact not only on our school, but on our city as well. The Class of 2000 has made Melrose High a place to be proud of!

We have taken many steps to get to this point, but in our lives we have so many more to take. Along the way we have learned so much and are grateful for all of our experiences. Melrose High has prepared us well to step forward! So as we continue stepping ahead, it is now time to take One Look Back at where we've already been . . .

GOOD LUCK CLASS OF 2000!!!

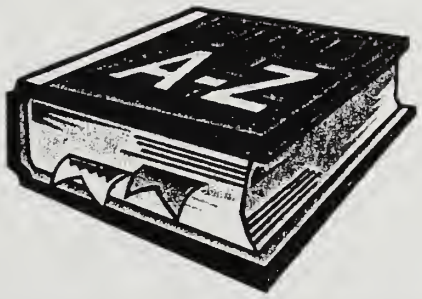
HELPING US STEP INTO THE FUTURE

Mrs. Forgarty



Both Mr. Barth and Ms. Fogarty assisted in planning such events as the Winter Ball and various Dockside nights which were huge successes. Their time, energy and talent helped make the Senior Student Government successfull and productive.

Mr. Barth

STEP THIS WAY

We have taken many steps since we entered Melrose High as freshmen. Senior year seemed so far away, but step by step we have made it. We always looked at the upperclassmen in awe, and now we are the upperclassmen, serving as role models for the rest of the school. We have made many friends along the way. We have many fond memories as the first class of the new millennium. So step this way as we reminisce and take a closer look at each member of the Class of 2000.

The Couple That Never Was
Laurie Lusas & Matt Basteri

LOOKING BACK ON THE YEARS

Time spent with each other is what brings a class together. Sure we can share a laugh in class or passing in the halls, but nothing can compare to the activities we've shared outside of the classroom. The excitement of the semi, proms, dances, and the winter ball will forever hold lasting memories for all of us. Together we have shared a sense of belonging and now it is time to look back at all the fun and exciting times we've had together.

MHS WELCOMES NEW PRINCIPAL

DR. DANIEL BURKE

My first year at Melrose High School has been made superb by the cooperation and achievements of the Class of 2000. There are people in this world who resist change and there are others who embrace it. This wonderful class has embraced change and helped create a very positive environment at Melrose High School.

In brief, the Class of 2000 has it all. Some are brilliant. Some are very athletic. Some are very artistic. Some are dramatic. All are a credit to their parents, their school, their community and especially themselves.

TAKING A WALK ON THE WILD SIDE

Rebellious students break some the school's newest rules

Baby baby, how were we supposed to know?" question ***Katie Fried*** and ***icole Hirtle.*** But every one knows that these two Brittany Spears are razy" if they think it's ok to show off bare mid drifts at school even ometimes!" ***Tom Dittmer*** and ***Katie Dakin*** think they are pretty smooth standing in front of the "no food" sign in the Resource Center.

ianne Vanni, who just lost 35 cents, waits for the phone to start ringing. Guess she ssed the sign hanging directly over the phone which reads OUT OF ORDER 8am-m! "It's only my thinking cap," pleads ***Tom Rowlands.*** Better think again Tom be-ıse there are absolutely no hoods allowed in this school! Who does ***Emily Taffe*** nk she is smoking in the bathroom? She better smarten up if she doesn't want to be sted by a hall monitor.

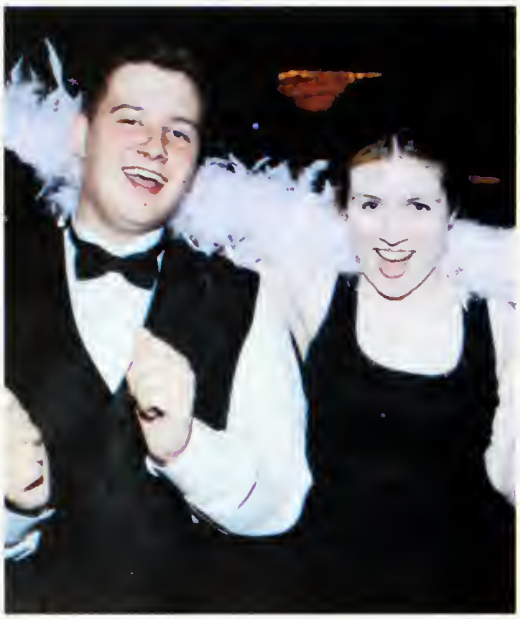
Steppin' Out

Junior Prom 1999

Alicia Lindley can't believe that she is actually getting her picture taken with the **Carly Stoeckle.** Taking some time away from the dance floor, Laurie Lusas and Ryan Curran are ready for their close up.



Mike Stantial knows how to pick his dancing partners because there is never a dull moment with **Emily Taffe. Pat Michaud, Jen O'Brien, Cobi Lawson,** and **Lyndsey Barratt** never mind posing for a quick group photo.

Mark Govia, Marie Santangelo, Vanessa Wilkey, and Nick Wood show off their great sense of prom style. The night is young but the always charming Nick Ward already has Katie Hennessy laughing.

Lauryn Quinn, Katie Sherman, Jenny Spinosa, Erin Thorpe, Katie Mahoney, Tara Stanford, and Maggie McClory line up for one of the many pre prom photos taken that night. Judging from the sizes of the beautiful smiles on Terry Farina, Rachel Brandano, and Erin Terry, it looks like prom night was a success!

Kickin' Off The New Year

MHS SENIORS DANCE THEIR WAY INTO THE MILLENNIUM AT THE 2000 WINTER BALL

Top Left: The smiles on Heather Mangan and Jason Stump show that they are enjoying the evening. ***Top Right:*** Y2K spokeswoman, Kim Fucile, showed up at the winter ball decked out in her millennium gear. ***Above:*** What songs are Scott Romano and Amy Gallagher requesting? Hopefully they are ones that will keep the party going all night long.

Dan Comeau impresses everyone with his new dance moves. Emily Backman, senior class president, whispers to Willie Kelmm that the evening seems to be running smoothly so far. Selena Farley and Amanda Picardo hope this picture won't take too long because they can't wait to get back on the dance floor.

"Hey Vinny, what exactly do you kids do after these school events anyway?" Mr. Fogarty asks Vin Milano. Tori Jones and Jenn Harrison agree with the song, "We like to party!" they exclaim as they pose for a quick pic. Rob Hasset is looking snazzy in his shades. MAKING GREAT STRIDES

One of the most demanding activities for students at Melrose High is making the commitment to join a sports team. Participating in athletics at MHS requires a combination of skill, dedication, and time. Our student athletes put in long hours every day in order to practice and compete for our school. MHS should be proud of the teams they field in the very elite Middlesex League. The class of 2000 has produced many of the finest talents in school history and created many upsets to opposing teams. So lets look at the great strides of the 1999-2000 sports teams!

Stepping Up To The Plate

BASEBALL

Back row: Coach Wilbur, Al Gregorio, ***Matt Basteri,*** Mike Briggs (99), Dan Steele, Tim Farrell (99), and Pat Tighe (99). Second row: ***Jon Dargan, Dan Searles, Nick Ward, Mark Drauschke, Ryan Curran, Chuck Perrault,*** and ***Brian Bell.*** Front row: John Bleiler (99), Jim McShane (99), Scott Searles (99), Kevin Flight (99), Dan Collins (99), and Joe Merrick (99).

The 1999 Red Raider baseball team got off to a slow start and finished the first half of the season with a slightly disappointing 4-5 record. However, they turned things around in the second half starting with a 9-1 victory over league champions Reading. The team was led at the plate by Dan Collins' (99) two home runs. The Raiders also pulled out an extra inning win against league rival Lexington with the great pitching performance of Jim McShane (99) and game winning home run by Kevin Flight (99). The Red Raiders finished their season with a 12-8 record and defeated Greater Lawrence in the first round of the post-season tournament. They had to play top-seeded Danvers in the second round and lost a heartbreaking 9 inning game 10-9.

The 2000 Red Raiders look to improve on last year's record under the leadership of Captains ***Matt Basteri*** and ***Mark Drauschke.*** With leadership from their captains and other seniors, ***Ryan Curran, John Dargan, Chuck Perault, Dan Searles, Nick Ward*** and ***Brian Bell,*** the Red Raiders should have an impressive 2000 season with a berth in the state tournament.

Top: Captain ***Mark Drauscke*** pays close attention to the pitcher as he awaits the perfect opportunity to steal second base. Above: Not only does the Melrose Team show good sportsmanship to opposing teams, but are always in full support of one another.

SOFTBALL

After having a stellar spring season in 1998, the remaining members of the 1999 varsity squad returned to the field determined to make their season one that would be just as memorable. Although the 1999 team did not make it to the Division II Semi-finals as they had the year before, they were able to make a powerful run towards the state tournament under the fine leadership of captain, Lindsey Bakeman (99). Lindsey, a standout pitcher, shared the mound duties with **Maggie McClory.** Overpowering opposing batters, **Maggie** was named Middlesex League all-star two years in a row. Catcher **Katie Mahoney** also earned the title of Middlesex League all-star for demonstrating her phenomenal abilities behind the plate and at bat. The 1999 squad also got a great deal of help from powerhouse **Tara Stanford** who took up the duties at third base, speedster **Jenny Spinosa** who played first base and second baseman **Linn Brown.** Other contributors included outfielder **Kathleen Madden,** Jaclyn Albanese (01), Jen Scully (01), and Keir Stanford (02).

The strength of the 1999 team will most certainly continue into the 2000 season, under the wings of newly appointed captains **Maggie McClory** and **Katie Mahoney.**

Although the 1999 boys spring track struggled a little bit as an overall team, there was no lack of individual talent. Led by tri-captains Jesse Cargill (99), Pat Morris (99), and Nick Leone (99), the team had standout performances in many events. Dan Lounsbury was a top distance runner, and Kurt Lusas (99) was one of the best sprinters in the league. Hurdlers Jesse Cargill (99) and Pat Morris (99) also racked up a good share of points in their events. There was a solid field team as well led by Nick Leone (99), ***Pat Kent,*** and ***Chris Friedrich*** in the throwing events. J.J. Long was also very strong in the long jump.

The 2000 team, with an abundance of returning team members, looks forward to challenging the elite teams of the Middlesex League.

The 1999 spring track season was definitely one to remember. Led by captains Lauren Larcano (99) and Taylor Rivers (99) the team's hard work shined through in their convincing wins over Winchester and Watertown. Although those were the only wins for the team this year, many meets were close and everyone involved showed a great effort.

There were also many individual accomplishments achieved during the '99 season. Nine girls qualified for the Emass championships and **Caitlyn Mead** was named a Middlesex League all-star for her outstanding record in the 400-meter run.

The team should be very strong for the 2000 season with many returning seniors as well as a large number of underclassmen. This team will work to improve on their team record and reach their personal goals.

BOYS TENNIS

David Silverstone, David Pizzano, Franco Pellegrini, Matthew McCarthy, Michael Milano, Timothy Ryan, Daniel Borkan, Coach Lynch, missing: Michael Flynn

The '99 boys tennis team experienced a season of transition. With first year coach Deb Lynch at the helm and no members from the class of 2000, the team posted a 6 - 12 record. Captains Matt Bixby (99), Endel Liias (99), and Dan Talbot (99) provided excellent leadership to the underclassmen. Each member of the team gave 100% of effort, dedication and commitment. Junior Mike Flynn, in the number one singles spot and the only returning multiple letter winner on the team, will definitely be looked upon for leadership, guidance and winning points in the 2000 season! This young team has all of the necessary ingredients to build on their wins and the potential to see post season play.

The Girls Tennis Team had a memorable season in 1999. Kristen Downey joined the team this year as the head coach. She used her experience to increase the tennis skills of the team. Kristen always got the group pumped before every match or practice with her motto, "What's Up Girls?!"

At first singles was Jessica Resnick (01). ***Katie Fried*** (00) filled the second singles slot. Playing third singles on the team was Lysandra Ferentinos. ***Jen O'Brien*** (00) and Alison Johnson played first doubles. ***Allison Goodwin*** (00), Allison Akell (01), and Khahn Trahn (01) played second doubles.

Besides their love for the courts, the tennis team had a passion for food. Crunchy M & M's and Bruegger's bagels could be found at every match! Also, you could find these athletes at Prince Pizza getting some carbs in before the big matches.

The future of the MHS Girls Tennis team is looking bright as Captains ***Katie Fried, Alison Goodwin,*** and ***Jen O'Brien*** will lead the team into the new millennium. With the players hard work and dedication, they will do their best to make the state tournament in 2000! "Raise the Net Girls!"

After finishing 8-2 in '98 and having 18 returning seniors coming back in '99, the Red Raiders were highly ranked in the state and also picked to finish first in the Middlesex League. They did not disappoint their fans as they went 9-0-1, and beat teams with a margin of victory of over 20 points per game. Coach Tim Morris guided his troops into the last game of the season on Thanksgiving morning against the crosstown rival and also undefeated Wakefield Warrior football team. It was one of the greatest Thanksgiving Day games in history and when the smoke cleared it was a stalemate with a 14-14 tie. The next morning a coin was flipped to decide who would represent the Middlesex League in the Superbowl. Melrose did not win but showed class even with a controversial rule like that. Still the team went undefeated and was led by Captain **Patrick Kent.** Also, **Matt Basteri** and **George Leblanc** led an offense that averaged 31.4 points per game. George rushed for 1,675 yards and 25 touchdowns, which placed him as the second leading scorer in Division 2 with 150 points. The offensive line, led by three-year starter **Dave Waden,** played a major role in the team's success. The 1999 football team was made of great individual players who were able to play outstanding as a team, which is why they were so successful. It was the first undefeated Melrose High School Football Team in over 30 years, and will be remembered as one of the best.

The 1999 Melrose Red Raiders included fifteen seniors and four juniors represented under the strong leadership of tri-captains, **Laurie Lusas, Maggie McClory,** and **Rachel Wasdyke,** and Head Coach Jan Johnston. The team's motto throughout the season was gambate, a Japanese proverb meaning hard work and determination, and this was demonstrated in the 2-1 defeat of Watertown. This upset victory made a mark in history since the team had remained undefeated in league play since 1991. The Lady Raiders worked together during the season to achieve a 6-9-3 record. Although the team missed making the tournament, they proved successful in their season and tri-captains, **Laurie Lusas, Maggie McClory,** and **Rachel Wasdyke** were named League All-Stars. The great team spirit shown by the underclassmen made the senior's season unforgettable. The most memorable was the many friendships that were made throughout the season in this close-knit team!

The boys soccer 1999 season began with great hope, but it ended with great disappointment. The team record, of 4 wins, 12 loses, and 2 ties was insufficient for the team's major goal of making the state tournament. But despite the record and despite all of the hardships the team endured, the 1999 boys soccer team came together as a family and played one of their better seasons in the last years.

The team followed behind the strong leadership of its senior tri-captians **Nik Tower** (#5), **Rico Palladino** (#11), and **Joe Mattara** (#3). Although the captains led the team, they did not supply all of the leadership, while seniors **AJ Graham** (#6), **Dan Barbanell** (#), **Jim Barasso** (#), **Matt Lackett** (#12), and **Brian Herlihy** (#), shared in many of the leadership responsibilities. A few of the veteran juniors such as **Dan Thelen** (#15) and Jon Wallace (#4) also aided in setting a good example for the younger players.

As the season moved on the team grew closer togther, giving the Melrose team a chance at some victories. A spectacular come from behind victory versus Belmont, followed up by another big win against Burlington, allowed the team to finish strong.

Altogether the Melrose boys 1999 soccer season was a good one. They competed in every match, they played, and managed to win a small share of them too. The whole season the boys never gave up, surviving on the team's determination not to quit. All the hard work the team put in may not have achieved their goal, but it did allow the team to take a big step for a team with great promise and aspiring hopes.

3 - 12 - 3 - - - - - - How good could the girls soccer team really be? If all you look at is the record- then not that good!! But, if you look beyond the record then you would see a team full of talent, heart and desire. The team had 9 seniors to lead the team this year as starters. They were: **Katie Dakin, Daria Hinz, Katie Mahoney, Caitlyn Mead, Lauryn Quinn, Jenny Spinosa, Tara Stanford, Natasha Thorne** and **Erin Thorpe.** They played together in elementary and middle school and have made untouchable friendships and many memories that will last forever.

This season was filled with hard work and determination. One of the highlights of the season was beating Wakefield 1-0 at Wakefield under the lights to give them their first loss of the season. This proved their dedication and hard work that couldn't be done without the help of Kristen Burns, their assitant coach, and Paul Cunningham, the head coach. The golf team had a great season this year. With a finishing record of 7-1-1, we took second place in the Middlesex League. Our only loss of the season was to the undefeated State Champions of Woburn. The team may have a tough time next year trying to rebound from the loss of its large senior core, consisting of one **Tom McNamara.** So, with a team returning seven of its eights starters and having four of those being two year starters, the team looks to be very good in the future. The team did have one outstanding player this year as well. Sophmore Paul Glavin won the Div. 2 North State Tournament and was named a league all-star in only his second year on the team. All and all it was a great year and it looks to be the same in the future.

The three words that sum up the 1999 Volleyball season are dedication, hustle and unity. The team, which consisted of mostly sophomores and juniors, was led by its three senior tri-captains, **Kim Hudd, Meghan O'Connell,** and **Arianne Vanni.** Jeannine Cavallaro has coached these girls for the past four years and has been not only an excellent coach, but an excellent role model and friend. This year the team really developed as players, working hard each day. Although they got off to a rough start, the girls didn't give up and worked hard to pursue excellence the entire season. They ended up winning four out of their last seven games. One of their most exciting games was beating Reading and knocking them out of the tournament. Another highlight of the season was senior **Kim Hudd** being elected as a League All-Star.

The season definitely had its share of memorable moments. There was playing "the song game" on the bus and going to camp (where the Blair Witch was present). No one will forget the pasta party when Arianne, Andrea, and Jamie forced everyone to watch RAW. And toilet papering was quite an adventure, especially since "the wagon" got pulled over by the cops twice! The friendships that were made this year will last forever. The seniors wish all their girls the best of luck in the years to come and don't forget 1 2 3 CLAP!

Boys Cross Country

The 1999 Boys Cross-country team had high hopes coming into this year. Although their record of a respectable 4 wins and 5 losses doesn't say much, this team had many positive contributions to their season.

This season the boys were introduced to a world famous track coach named Bill Squires, what else could you ask for in a coach after looking at Coach Squires background. Coach Squires has done a great job in his first year with the boys team. Another great contribution was the leadership of Tri-Captains **Nick Ward, Dave Miller** and **Jon Muollo.** Led with great enthusiasm by their tri-captains and seniors **Tom Dittmer, Josiah Frees, Chris Friedrich** and student manager **Steve Shaw** this team had more leadership than any team could ask for. Junior Dan Lounsbury led the pack for the boys team this year. Lounsbury, **Ward** and **Muollo** were all rewarded for their hard work and dedication by being named Middlesex League All Stars. With other great contributions from Juniors Mike Festa, Anthony Genovese, Dan Miller, Greg Pease, Brian Savarino, Jeff Brady, Jon Symond and Eli Brown the future is looking promising.

The contributions from this years seniors will be greatly missed, but with some young rising stars coming through the program this team should show great improvement in the next few years. Don't be surprised to see this team shoot to the top of the Middlesex League and bring home a championship in the near future.

The 1999 Cross Country season was one filled with hard work, laughter, and goals that were achieved. The season was long and tough but the team pulled together and stuck it out. The highlight of the season was the one point win over Burlington. It was the last home meet of the season, so this made the win a little extra special. Cross Country had some bad luck with injuries this year but under the circumstances faired pretty well. The top seven athletes on the team participated in the Emass Championships and had a great showing there.

Next year the team will remain strong bringing back three of it's top five runners and having three long time veterans as captains. The girls should be able to compete with the leagues best in the years to come.

They ended the regular season with a big win against rivals Wakefield making the final record 12-8. Andy Herlihy and *Scott Chaffee* were all star game participants.

They headed into the post season with their heads high, but lost a heartbreaker to East Boston in the first round. The team is going to miss the seniors next year and wishes them good luck in the future. Good Luck next year Red Raiders!!

The 1999-2000 Girls' Basketball team had a season to remember. Coming off a D-II North Final loss to Salem the Lady Raiders were ready to make-up for the heartbreaker. They started the season strong and prepared to annihilate the competition. And that's just what they did. After 10 games the girls had qualified for the state tournament making it the 4th consecutive year. That didn't stop these girls. One step at a time they walked over other teams sweeping the league. With one game left to play the girls clinched the first ever Middlesex League title in girls basketball—making it the third championship this year for the school. That still didn't slow these girls down. They finished the regular season with a huge win over League rivals Wakefield giving the girls an undefeated season—the first ever in the school's history. The night was capped off with the announcement of Quiana Copeland being named MVP of the Middlesex League and *Meghan O'Connell* being named to the All-League team along with *Tara Stanford* being named All-Star. The girls headed into post-season tournament play as the #1 seed in D-2 and hopes to returning to the Tsongas Arena. The first round game saw them matched up with Dracut. Melrose stepped up to the competition and defeated Dracut 51 to 34. The Semifinals round saw them paired up with powerful Central Catholic where again the girls stepped up to the challenge. In an all out war Melrose won 61 to 43 continued on p.

The 1999-2000 season for the girls winter track team was unforgettable. Although their record was not the best they've had, the team had an abundance of talent. The team was led by a strong senior class, as well as captains **Caitlyn Mead, Katie Hennessy,** and Rebecca Casey. The coaches this year, Coach Pignone and Ms. Losi, were always supportive and ready to have fun.

Six girls qualified for the State Class Meet in their events and some in several events. **Erin Thorpe, Caitlyn Mead, Selena Farley,** Rebecca Casey, Liz Castro, and Johanna Tower each had fast enough times or high enough jumps to compete in the Class Meet against the best runners, jumpers and throwers in Class C. **Erin Thorpe** and **Caitlyn Mead** each finished sixth in their events. This allowed them to move on to the next level of competition, the All-State Meet. Another great accomplishment was achieved by **Erin Thorpe.** As one of the leagues best runners she was named a league all-star. These were all fantastic achievements but possibly the best part of the girls season was that they worked hard, worked as a team, and had a lot of fun doing it. With many returning underclassmen, next year is sure to be as exciting and as fun as this year.

The boys swimming team had a successful season this winter. With a record of 3-2 they finished third in the Middlesex League. There only losses were against two very competitive teams: Burlington and Lexington. The most exciting meet of the season was against Reading. Throughout the entire meet both teams were battling for the victory. In the end Melrose came away with the victory after winning the final event, the 400 yard freestyle relay. The team was led by senior captain Chris Bachovchin who swam the 100 yard breaststroke. Underclassmen on the team were juniors Doug Simons, Dary Porter, Dan Bachovchin, Nick Finch, Alex Lawson, Zack Guard-Levin, Eli Brown, Sean Mussleman, and Grant Matthews and sophomores Alex Sloan and Matt McCarthy. With a lot of young talent expect another year of success for the boys swimming team.

M.H.S. SPORTS

LEADING THE WAY

We have been so busy moving forward that we can now stop and take a look back and thank the people who have led the way. Besides our families, we must also realize that we could never have made it without the patience and dedication of the faculty. Everyone from our teachers to administrators, and the custodial to secretarial staff has played a part in helping us strive for more and grow into mature young adults. Though there have been many changes in the staff over our four years, we have shown respect and compassion to those who have helped us get to where we are today. And now a look back at those who led the way!

DRAMA

The Drama club is "off da hook!" Even though it is despised by 99.9% of the student body, it has been the best learning experience the school has ever offered me. We started off the year with a dark and mysterious presentation of "The Complete Works of William Shakespeare, Abridged". For competition we performed "The Baltimore Waltz" which had a more serious theme. Big up to all the seniors who made the long, treacherous rehearsals in Hiti's dungeon- I mean classroom- just a wee bit more laughable! I also want to thank our gothic teacher advisor, Ms. Hiti, who single handedly saved our club from extinction last year She's the coolest lady I've ever met and is a personal lifesaver! G.A.P.P.

GERMAN AMERICAN PARTNERSHIP PROGRAM

As soon as the Germans stepped off the plane in October, the fun began. This year was the 25th anniversary of the G.A.P.P. program, run by Dr. Dragonas. Seventeen Americans participated with their partners, Chris Bachovchin, Andrew Kiznicki, Jen Quigley, Dave Bearse, Allison Hill, Andrew Herlihy, Sean O'Conner, Matthew Paley, Dary Porter, Vanessa Roman, Katie Sikkema, Doug Simmons, Craig Drauske, Christianne Eason, Peter Hoffman, Tim Ryan, and Johanna Tower. The Germans made themselves at home in our school. Their visit ended with a day trip to New York City. In April, the Americans went over to Hamburg with Dr. Dragonas, to visit their partners. The month was full of German culture, food, and of course, the language! Our stay also ended with an exiting trip, to Berlin. Both the Americans and the Germans agree that G.A.P.P. was a life changing experience that could never be topped!

We'd leave as winners, they'd leave with a sigh.
You were the team that no other could beat,
Keep in mind that a coin toss does not mean defeat.
Everyone's proud, and you are their reason,
Thank you so much for one unforgettable season.
But before it is over, we'd like everyone to remember,
WAKEFIELD IS GOING DOWN NEXT NOVEMBER!

Led by junior captains Anna Singer and Mary Schofield, the spirit and enthusiasm of the team's weekly performances captured the excitement of the crowd. With one senior on the team, the underclassmen really lit a spark in the gym to heighten the Red Raider spirit. Although next year, the girls will miss their only senior **Jen Harrison,** their future looks bright because of the hard work and dedication of the underclassmen.

The girls energy and support were seen at each game throughout the season. With 9 seniors on the team, these girls all demonstrated leadership and dedication. The Hockey Cheerleading Team would like to thank Mrs. Fogarty, and all the boys on the hockey team for a great season.

STILL STEPPIN'

Though they are still steppin' forward, the underclassmen at MHS can see the many different steps that they must take. Looking to the seniors for support and guidance, the underclassmen can be sure that no matter which way their steps may take them, they have witnessed a diverse and fun senior class. As the seniors step out of MHS, the underclassmen can still cherish their time here and see that a new world awaits them and for them . . . . a new world is not many steps away!

THANKS FOR LETTING US TAKE THIS "ONE LOOK BACK"

If it wasn't for the generous contributions of local businesses, parents, and students, we would not have been able to step forward with the production of this yearbook. The purchase of the following ads allows the yearbook staff to create a book of memories that we will cherish forever, at a reasonable cost. The Business Staff would like to thank everyone who purchased an ad. And now as we step out of MHS and continue to step forward, let's thank everyone who helped us create "One Look Back".

"There is a road, no simple highway, between the dawn and the dark of night, and if you go, no one may follow, that path is for your steps alone" - Jerry Garcia

Sports staff members **Lindsey Anton, Tara Stanford,** and **Lauryn Quinn** spell out the word LOG celebrating the end of Sunday night meetings!

Another turning point, a fork stuck in the road.
Time grabs you by the wrist, directs you where to go.
So make the best of this test, and don't ask why.
It's not a question, but a lesson learned in time.
It's something unpredictable, but in the end is right.
I hope you had the time of your life.

So take the photographs, and still frames in your mind.
Hang it on a shelf of good health and good time.
Tattoos and memories and dead skin on trial.
For what it's worth, it was worth all the while.
It's something unpredictable, but in the end is right.
I hope you had the time of your life.

-Green Day

As members of the Class of 2000 we have had many turning points in the past, and will continue to in the future. Our lives will be full of choices and decisions. For those of us who make up the Class of 2000, we left the Middle School and took our steps over the bridge to Melrose High. We decided to continue our education here, when many of our Middle School peers decided to go else where. We know that our steps took us in the right direction! Melrose High has prepared us well for the challenges that lie ahead. So as we leave Melrose High with all we have learned and with so many memories, it is now time for us to finally step out of MHS!

GOOD LUCK CLASS OF 2000!

GOOD LUCK CLASS OF 2001

FROM THE YEARBOOK STAFF

YEAR OF THE CHAMPIONS

The class of 2000 is not only one of the brightest academically, but also one of the most athletically talented classes in the history of Melrose High School. From the football stadium and gymnastics center here in Melrose to the Fleet Center in Boston, our Boy's Football Team, Girl's Gymnastics Team and Girl's Basketball Teams, all had undefeated 99' - 00' seasons.

The Girl's Basketball Team, led by captains Lauryn Quinn, Tara Stanford and Meghann O'Connell, finished their season with an outstanding record of 25-1. This record-breaking team was both hard working and dedicated throughout their 16 week season.

Finishing with a record of 9-0-1, captain Patrick Kent led his undefeated team through an unforgettable season. Starting off the season very strong, these boys were determined and focused throughout their entire season.

The Girl's Gymnastics Team, led by captains Liz Schweins and May Kourtz finished their undefeated season with an 8-0 record. This young team was both determined and hard working and has a bright future ahead of them.

Without the spirit of the administration, faculty and students, these undefeated seasons would not have been so successful. Good Luck Class of 2000!
